The trustee reported to the court that mail addressed to the creditor(s) listed below was returned or undeliverable. The creditor has been terminated from the party list, if applicable, but HAS NOT been removed from the creditor mailing matrix due to a proof of claim being filed in this case . If you find a complete address for the creditor(s) listed below, you should immediately send a copy of the notice to that creditor(s) and file a certificate of service with the court. You should also docket the address change via text entry in CM/ECF.

Please be advised that a creditor's failure to receive some notice of the case could mean that the debt owed to that creditor may not be discharged.
